

4100

shower curtain track

for care institutions

The standard in healthcare

4100

shower curtain track

for care institutions

practical & versatile

The Qurails shower curtain track 4200 is an ideal rail for your shower curtain. This rail is the strongest of its kind. He owes his strength especially to his form. The rail can be fitted with suspension hangers to be used in hospitals and care institutions. A very popular rail with many applications, such as in the care sector and residential homes.

- The ideal track for all shower curtains.
- Easy to bend and exceptional quality.
- Can be forward or reverse bent in different radii.
- Silent and smooth running, also round bends.
- Usable with LRS gliders.

Standard colours

High quality, wear-resistant coating, highly colourfast, UV-resistant.
Other RAL colours & special coatings on request.
